Vacancy Crew member

FUNCTION DESCRIPTION

A crew member does not really belong to a certain function in the praesidium. As a crew member you take a shift whenever you want and help at activities/events organized by Industria. By doing this you get a feeling of what it would be to be part of the praesidium and you get to know new people!

WHO WE ARE LOOKING FOR

All students who like to be involved with Industria and want to know what it means to be a member of a student association are ideal candidates to come and help out as shifter or crew member. Of course, during the shifts there is also work to be done, so being motivated for a bit of hands-on work is a must!

WHAT WE HAVE TO OFFER

By doing shifts you get to know people, make many friends and find out if being a member of the praesidium would be something for you. Crew members also: earn points that can be exchanged for prizes, crew member T-shirts and other perks. Points are gained by taking up shifts and the prizes you can get, which depend on the amount of points you have, range from things as a movie ticket to a keg of beer in the Recup!
