Vacancy Education

FUNCTION DESCRIPTION

The Education team is a bridge between teachers and students. They represent Dutch and English-speaking students equally in education meetings on campus level (OC) and faculty level (POC). Furthermore, a member of education team may also take the responsibility to represent GroepT in faculty student council (STII) and university student council (STURA).

WHO WE ARE LOOKING FOR

For the education team we are looking for Dutch and English-speaking students who are motivated to represent students amongst teachers. A proactive behavior of making sure all the education related functioning in GroepT is happening smoothly is always a positive. A member of education should be an open communicator, who ready to take initiative.

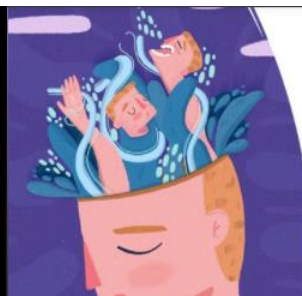

WHAT WE HAVE TO OFFER

As a member of education, you will learn about the internal workings of our campus. We offer representation on a wide range (Industria-Education, STII, STURA). This will be a chance to improve your active communication skill, as you will be working with other members of education to help improve the quality of education in KU Leuven.
