Vacancy Fakbar

FUNCTION DESCRIPTION

The student fakbar called Recup is run by two student unions, Industria and the Psychologische kring. The fakteam consists of students from both unions and together they do everything to provide (un)forgettable evenings to the students! Pricing drinks, providing tappers and maintaining the café itself are all part of the team's duties, among other things.

WHO WE ARE LOOKING FOR

Every year we look for hard working students that could be an asset to the Fakbarteam. The willingness to roll up your sleeves and being able to deal with customers are things that naturally go hand in hand with working in a fakbar. In addition, the team members must also take on tap shifts, attend weekly meetings and perform their individual functions (orders, treasurer, etc.).

WHAT WE HAVE TO OFFER

Being a member of the Fakbar team will not only bring you very good friendships, but also a good work ethic. In the fakteam, you learn many soft skills including responsibility and planning. And of course the occasional beer is enjoyed aswell!
