Vacancy Course book service

FUNCTION DESCRIPTION

The Course book Service Team is responsible for providing Group T students with the correct books. They are in contact with Acco for the ordering of the books and also work together with the teachers frequently. During the KD sales moments, the members of the Course Service Team also lead the volunteers who come in for shifts.

WHO WE ARE LOOKING FOR

For the Course Service Team, we are looking for motivated and hard workers who are good at keeping an overview. You will come into contact with many other students and teachers, so some basic social skills are certainly nice to have. Being able to take leadership and work well with other people are also a plus for this function.

WHAT WE HAVE TO OFFER

During a year in the Course Service team, you will learn to communicate effectively with teachers and professional organizations such as Acco. Structure and regularity are skills you learn here. In addition, you learn how to recruit shifters assertively and the importance of a good team spirit. You will also be part of a great team!
