Vacancy Support

FUNCTION DESCRIPTION

The Support Team participates in many aspects of the events organized by the Praesidium. They have their own room where all of Industria's materials are stored. They are responsible for the overview and order of this room. They also help with the logistics of every event, from a BSA to the Gala Ball. They build the crazy constructions, foresee the transport plans and are at the base of every event!

WHO WE ARE LOOKING FOR

For the Support team we are looking for motivated and hardworking students who like to roll up their sleeves for hands on work. Being able to keep an overview in a function that is continuously working and being able to work with a team are a must have for this position.

WHAT WE HAVE TO OFFER

During a year in the Support team, you will learn to work in a structured and practical way. You will learn to think in a logistical way. Communicating, planning and managing are skills you will acquire here. Working closely with a great team also ensures a super team atmosphere!
