

SECTOR NIGHT OF ELECTRONICS & ICT

Company
Guide

Industria
BUSINESS RELATIONS

PREFACE

Welcome to the sector night of electronics-ICT!

Some of you are already graduating this year. Maybe you will continue your studies, but for others, life as a student is over. This may come as a surprise to you, especially if you don't know yet how you will continue your life after Group T. Therefore, this evening is a unique opportunity to make all of this a lot clearer!

Tonight you get the chance to meet companies and see what they have to offer to start your career as an engineer. The world needs young and enthusiastic engineers like you. Everything you learned during your career at Group T is of enormous value in the future. This evening is your chance to look in which direction you want to go and our companies are only too happy to help. Even if you are not yet in your final year, this evening is ideal for looking for an internship or a thesis topic and expanding your network! We hope this event will help you open the right doors and shape your future. We would like to thank you for your participation and wish you all the best in the future!

DESCRIPTION

TMC is een wereldwijd hightech consultancybedrijf met een team van ondernemende ingenieurs, wetenschappers en digitale experts uit alle hoeken van de wereld. Samen vormen we een snelgroeiende en trotse gemeenschap. We bieden consultancy-diensten aan in uiteenlopende sectoren zoals hightech, halfgeleiders, digitale en IT-diensten, energie en hernieuwbare energiebronnen, en life sciences, met toegang tot high-profile klanten wereldwijd.

Als pioniers in “employeneurship” hebben we het traditionele werkmodel heruitgevonden, en bieden we onze getalenteerde professionals de kans om de zekerheid van een vast contract te combineren met hun passie voor ondernemerschap.

DESCRIPTION

At Easi, we embody Human Excellence. As an IT service provider our clients' needs become our needs and we work together until all of us are happy with the result. We go beyond the issues our clients face, and make all their goals a reality. Even those they didn't know they had! We're not just a supplier, we're a partner. We are passionate about what we do, and we're proactive in offering our clients our help. In 2024, we won the 'Best Place to Work' award for the 10th year in a row(!). Work hard, play harder? Then you've come to the right place. We strive for a collaborative future where people work smarter by sharing human intelligence in a world of automated technology. In that future, we want to establish long-term relationships with our customers in which we always think one step ahead. We help people to develop their own approach while freeing them up by taking timeconsuming processes off their plates. This allows us to bring them to their full potential.

DESCRIPTION

Wij zijn een business & ICT consultancy organisatie die haar klanten helpt bij het realiseren van hun strategische doelstellingen in de digitale wereld. We doen dit door mee te denken met onze klanten, hun uitdagingen te begrijpen, hen te helpen innoveren in de diensten die ze in de markt willen zetten en mee te bouwen aan de technologie die daarvoor nodig is. Vanuit het consultancy aspect helpen we ook de interne processen van onze klanten te verbeteren. Daarnaast zijn we binnen onze AE Studio ook bezig met het bouwen van onze eigen producten. Vanuit AE Studio helpen we klanten om de juiste strategie te definiëren, digitale oplossingen te bouwen en bieden kwalitatieve ondersteuning en diensten op lange termijn.

Sinds 2011 mogen we ons bij AE jaar na jaar een Great Place to Work noemen. Naast onze klantgerichte mindset vinden we het uiterst belangrijk om de verbondenheid en samenwerking tussen onze collega's te versterken. AE'ers helpen elkaar. Kennisdeling, vorming en betrokkenheid zijn bij ons dan ook dagelijkse kost. We helpen je om jouw persoonlijke doelstellingen te definiëren en ondersteunen je in jouw groei. Zo neem je jouw carrière in eigen handen en evolueer je in de richting die jij voor ogen hebt.

OFFERS

Job

DESCRIPTION

Camco Technologies is a world-leading Belgian company specializing in automation solutions for the marine, rail, and logistics sectors.

Since 1999, we have been at the forefront of improving terminal operations by making them more efficient, safer, and cost-effective.

With over 300 successful projects worldwide, we provide cutting-edge technologies like AI-powered cameras for container recognition, real-time location tracking, and intuitive kiosks for quick driver and cargo registration.

We also develop software applications that optimize every aspect of terminal management, from gate automation to yard operations.

We serves a broad range of industries, including container and inter-modal terminals, ferry terminals, railway operators, crane manufacturers, and logistics service providers.

By automating processes and enhancing operational performance, we help our clients run their terminals more smoothly and efficiently.

DESCRIPTION

NGIS, een bedrijf van de Telenco Group, ontwikkelt ultramoderne draadloze netwerken op basis van 4G- en 5G-technologie. Dankzij onze expertise in het domein van de wireless dekking heeft NGIS in een periode van 10 jaar tijd een stevige reputatie opgebouwd bij de mobiele operatoren en bij grote klanten, en dit zowel in België als in Luxemburg en Frankrijk. NGIS levert als studiebureau oplossingen op maat voor dekking van gesloten ruimtes, voor privé netwerken of voor andere complexe dekkingsnoden en zorgt ook voor de uitrol ervan.

NGIS maakt deel uit van de Telenco Group, een internationale groep gespecialiseerd in het ontwikkelen en fabriceren van telecommunicatie netwerk oplossingen, actief in meer dan 65 landen. Telenco telt 12 dochterondernemingen wereldwijd en stelt meer dan 600 mensen te werk.

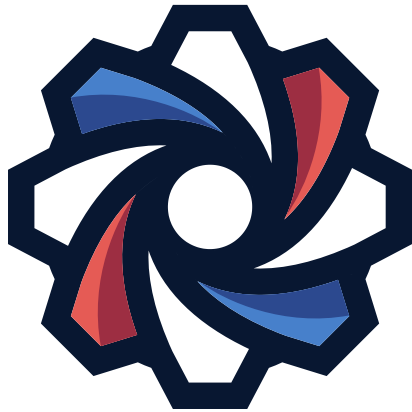

Bij NGIS beleef je de sfeer en de nabijheid van een KMO met de ondersteuning en mogelijkheden die een grote internationale groep biedt.
